Touhidul Islam \$40
1100 Court

Osei Boateng \$30
Spruce

Conner Walker \$20
800 Court

Director's Message

While the snow and ice are beautiful outside, the cold, dark winter months can make us feel chilly inside our homes. Here are some tips to help you stay warm this winter:

1. **Cover Bare Floors** with an area rug. A little cushion underfoot will also keep your toes warmer while you're walking around.
2. **Dress in layers** to help you stay warm and cozy. Consider wearing a moisture-wicking base layer, sweater, and even a hat indoors. Wear warm socks and house slippers to keep your feet from being cold.

POLICY INFORMATION

Parking Policy Update

Beginning March 1, 2024, the hours that parking permits will be required for Sunnyside Apartment parking lots (East and West Village) are changing to 7:00 AM – 8:00 PM, Monday through Friday.

Visitor permits are available for purchase through Commuter Services. Daily, 1-week or 2-week visitor permits are offered. <https://commuterservices.utah.edu/permits>

For more information on parking regulations please read the Resident Handbook. <https://apartments.utah.edu/resident-handbook/index.php#parking>

SUNNYSIDE EVENTS

FAMILY SWIM DAY

SATURDAY, FEBRUARY 10th | 2:00pm-4:00pm
Student Life Center | 1836 Student Life Way

Swim some laps or play in the Crimson Lagoon with friends and family! Children who are not potty trained must wear swim diapers.

Parking around the Student Life Center is free on Saturdays.

PIZZA & BOWLING DAY

SATURDAY, FEBRUARY 24th | 10:30am-1:30pm
Union Building

Enjoy a bowling game with your neighbors, play billiards, ping pong, and video games! ASUU will provide pizza and drinks!

Open to all residents of Sunnyside Apartments.

3. **Close window blinds** to keep warmth inside. Consider placing a towel or draft stopper along the base of the front door.

4. Use a warm wool or fleece **blanket** to wrap up while studying or watching Netflix. Keep an extra blanket on your bed to stay warm at night.

I hope these tips will help you stay comfortable in your apartment until spring arrives!

Wendi Carlson-Kenley
Director, Family and Graduate Housing

Eligibility Reminder

The minimum number of credit hours to remain eligible for Sunnyside Apartments housing is 9 credit hours for undergraduates and 6 credit hours (3 if thesis hours) for graduate students. Enrollment is verified each Spring semester and each Fall Semester. <https://apartments.utah.edu/resident-handbook/index.php#eligibility>

If you have questions about your specific situation or about eligibility in general please contact eligibility@usa.utah.edu.

COMMUNITY CLUB: Valentine Love Bug Craft

FRIDAY, February 9th | 2:00pm
Spruce Community Center

Come design a cute "love bug" and snack on something sweet for Valentine's Day!

COMMUNITY CLUB: Food Drive and Hand-print Craft

FRIDAY, February 23rd | 10:00am
Cottonwood Community Center

Please bring a food item to donate to our food pantry, grab a snack, and come ready to get crafty!

Campus and Community Resources

Resident Council Updates

This month, Resident Council met with the Sunnyside Apartments Resident Life Advisory Board. This board meets five times per year and includes three representatives from University administration and your elected council members. The board provides the opportunity for members of the Main Campus community to interact with Sunnyside staff and elected Resident Council leaders, to learn about ongoing operations, and to provide input into policy and programs for student families and single graduate students.

Our meeting this time focused heavily on how free speech is guaranteed on campus and how we can make sure that everyone in our community can have a voice. We also discussed posting policies around campus including the Solicitation and Sales policy in the Resident Handbook.

If you want to have your voice heard and represent your community, Resident Council elections are coming up beginning in March! More information will be available soon. If you have a desire to serve your neighbors and be an advocate to administration, you should consider running for one of the four elected positions. It is a great way to gain leadership skills and learn more about university and Sunnyside Apartments

operations. Elections are open to all adults that live in Sunnyside Apartments, not just students!

Career Fest 2024

February 5th-16th

Join U Career Success for workshops and events designed to help you explore career options, hone your job search skills, build a network, and land that dream job or internship.

Financial Wellness Center

The Financial Wellness Center (FWC) is a free resource for all University of Utah students to assist them in making smart, informed decisions about their money. Whether students are struggling to make ends meet or whether their finances are in pretty good shape, there is always room to improve one's financial situation. The FWC was created to help students in a safe, competent and confidential atmosphere with one-hour consultations to address their financial concerns.

FWC provides free tax assistance, regular free financial workshops, as well as budgeting and financial aid advice.

Located in the Olpin Student Union Building Room 317, the FWC is open Monday-Friday 8am-5pm. Walk in appointments are welcome or contact them to book an appointment financialwellness@sa.utah.edu or 801-585-7379.

Financial Wellness Home Buyers Seminar
Tuesday, February 13th
3:00pm-5:00pm
Union Building

financialwellness.utah.edu/events

CONSTRUCTION UPDATES

Construction is moving along in the West Village. The cement pour at the new grad student building is on schedule. The concrete slab floor should be completed by mid-February and we expect to start seeing walls go up by the end of February.

We will continue to see intermittent road closures and power outages as utility lines are put into place for the new buildings. We will keep you informed of those closures and outages as they happen.

To complement the indoor tips to stay warm in the Director's Message, here are a few outdoor winter safety tips:

- **Dress in layers** by starting with a moisture-wicking base layer, adding an insulating layer, and finishing with a waterproof and windproof outer layer.
- **Stay hydrated** even if you don't feel thirsty. Drink plenty of water and avoid alcohol and caffeine, which can dehydrate you.
- **Walk like a penguin** on icy surfaces. Wear shoes with good traction and

take small steps.

- Keep an eye on the weather forecast and **stay informed** about any winter weather advisories or warnings in your area.
- **Keep an emergency kit in your car** in case you become stranded. This kit could include a portable charger, extra batteries, warm clothes, shovel, flashlight, first-aid kit, food, and water.
