

University Student Apartments Vacating/Move Out Procedures

Residents moving out of University Student Apartments (USA) must submit an [Intent to Vacate form](#) to the Main Office at least thirty (30) days before they vacate the apartment. If less than thirty (30) days notice is given, the resident agrees to pay rent for the thirty (30) days following such notice. Notices received after 4:30 PM will be considered received the next business day.

Residents transferring apartments within USA should not submit an Intent to Vacate notice.

Pre-Move Out Inventory – Within seven (7) business days after the Intent to Vacate notice is received (*or a Transfer Assignment is accepted*) Maintenance personnel will enter the apartment and perform a Pre-Move Out Inventory. The Pre-Move Out Inventory takes only a few minutes and does not require residents' presence. Maintenance will only be checking for any large repair/replacement items (i.e., cabinets, countertops, tub/shower, carpet. etc.) not for the general cleanliness of the apartment.

Move Out Inspection - Residents must call Maintenance at 801.581.8668 at least three (3) business days before they move out to schedule an appointment for a move out inspection. Residents moving out over a weekend or holiday should schedule the appointment on the following business day. The move out inspection will determine any cleaning or damage charges. All personal belongings must be out of the apartment and the apartment must be clean by the appointment time. Residents are encouraged to attend their move out inspection.
