Frequently Asked Questions (FAQ)

When can I reserve one of the Centers?

Our scheduling system will show you when the centers are available. You must make a reservation at least 10 days in advance, and can schedule up to 60 days in advance. Each resident is limited to making two appointments per month.

What can I expect when I arrive on the day of my reservation?

At the time of your appointment, resident life staff will meet you at the community center you reserved. They will help you complete a condition report, share important information about using, cleaning, and closing the center, and answer any other questions you may have.

The scheduling software is asking me to choose a reservation length of 3 or more hours. What if I want to reserve it for a different length of time?

If you want to use the center for a shorter time-frame, select a longer reservation time and leave early when your event is finished. You do not need to stay for the entire reservation time. Maximum length of reservation is nine (9) hours

The scheduling calendar is not showing me a date or time option that I want. What do I do?

The Community Center is likely already booked on that day or your requested date is within 10 days. Try looking to see if another center is available or look at other dates and times.

Can residents use the centers on weekdays during the daytime hours?

The East Community Center is used during the week for child care services so it cannot be accessed by residents during that time. The Cottonwood and Spruce spaces are available 8:00AM to 11:00PM daily excluding some University holidays.

Why do I need to reserve the centers 10 days in advance?

The child care centers, custodial services, maintenance office, resident life staff and campus security all require advance notice of the bookings in the centers.

Can I arrive early to set-up?
No. You cannot access the center before the start-time of your reservation. If you need extra
time to arrive and set things up before your event’s start-time, please select an earlier timeslot.
Make sure to reserve the center for the entire time you are going to need it.

How do I cancel a reservation that I made?

All events can be canceled for free as long as the start time is more than 24 hours away. Once
your reservation is confirmed, you will be sent a confirmation email with details about your
reservation. You can reply to this email to cancel your reservation. If you need to cancel an
event within 24 hours of the start time, you will need to email
community.centers@usa.utah.edu. Your rental account will be charged a cancellation fee.

What happens if I’m late or get locked out?

Please be on time to the reservation. A resident life staff member will wait up to 10 minutes for
you to arrive. If you do not, or if you get locked out at any point during the event, you will need
to call campus police and security at 801-585-2677 to gain access to the center. There is a
lockout fee for this service. Throughout your reservation, you cannot prop open any doors to
the community centers or leave the building unattended at any time.
