## Resident Council Corner

Hello everyone! We hope the beginning of the school year is off to a great start for all of you! For those who have only recently moved in, we are the Resident Council, your elected student representatives. We meet monthly with the apartment administration to represent the interest and concerns of residents, and propose policy. We act as liaisons and advocates for Sunnyside residents and work in cooperation with the Resident Life team to make this a great place to live.

Things have been pretty quiet through the summer, so we don't have a lot of news for you. We discussed changing the policy around kiddie pools in the Cottonwood and Spruce common areas and were able to make some adjustments to that policy! We have also discussed a few other minor complaints and how best to approach them. We encourage you to join our Fall Forum on October 22nd at 7:00 PM in the Spruce Community Center or online. This will be your chance to meet with members of Sunnyside administration and ask any questions you may have. Stay tuned for more details! In the meantime, you are welcome to reach out to us with concerns or ideas at [mayor@apartments.utah.edu](mailto:mayor@apartments.utah.edu)

We look forward to a great year of supporting your life at Sunnyside Apartments!!
