Summer Travel Plans?

Apartment Access
If you are planning to be out of town for an extended period of time, you may need someone to have access to your apartment. Any person who requests access must be listed on your Lockout Key Card. They must provide photo identification to be let into your apartment. Make sure you update your Lockout Key Card before you leave!

Vehicle Parking
It is a good idea if you will be gone for an extended period to also leave a set of keys in your apartment so that a friend can move your vehicle if needed.
All vehicles parked on USA property must have license plates and a current vehicle registration. Maintenance work or USA events may require the closure of a parking lot. Vehicles which are not moved as required may be towed.
