Garden Plot Frequently Asked Questions

How much does it cost to reserve a garden plot?
It is a $5.00 one-time, non-refundable, non-transferable fee payable to the Main Office. After applications are completed, this fee will be posted to your rental account and can be paid the same time you pay rent.

How do I sign up for a garden plot?
Garden plot sign-ups will be available online only starting Monday, March 15th at 8:00am.

East garden plot application 2021
West garden plot application 2021

I applied for my garden plot, what is the next step?
The West Village gardens are located on the west side of the West Village across the street from the 100 and 200 Courts. The East Village gardens are located on the west side of the East Village next to the East Community Center (ECC) and the 1200 Court. The garden plots will be staked out and the Garden Coordinator will randomly assign plots to each apartment number. As soon as you receive the email with your assigned plot number (sometime between Sunday, April 11th –Sunday, April 18th), you are welcome to start gardening in your plot.

All the garden plots are sold out, can I still purchase a garden plot?
On Monday, May 24th, all unplanted gardens will be forfeited and redistributed to those on the waiting list. The waitlist operates on a first come, first serve basis. [Click here to be added to the waitlist].

Can I buy an extra plot?
No. Garden plots are limited to one plot per apartment.

How many plots are there and how big are they?
There are 150 plots available in the West Village and they are roughly 85 square feet. There are 55 plots available in the East Village and they are roughly 55 square feet.

What is the next step after I am notified of my plot assignment?
Once you receive the email with your plot number you may start gardening. If your plot is not planted by Monday, May 24th it will be forfeited and distributed to the first person on the waitlist.

What do garden plot volunteers do?
The garden plot volunteers help the Garden Coordinator to stake the garden plots. All volunteers must be available on Saturday, April 3rd for 3-5 hours (if weather is bad on the 3rd we will stake on Saturday, April 10th). In return for helping stake the two community gardens, garden volunteers may select their plot for the upcoming gardening
season before plots are distributed to the other garden plot applicants. We will be following Covid-19 precautions as outlined by the University. To be eligible to volunteer your garden plot application must be accepted.

**How do I become a garden plot volunteer?**
Volunteers sign up will begin on Monday, March 15th. Email the Garden Coordinator at gardens@usa.utah.edu with questions.

**When does the gardening season end?**
The gardening season will run from Friday, April 9th to Sunday, October 31st. Your plot must be completely cleaned out by Sunday, October 31st. This means removing all plants, structures, and anything else you might have placed in your plot.

**Who do I contact with any questions or concerns?**
The garden coordinator is Taylor Brimhall. You can email her at gardens@usa.utah.edu.
