

Resident Council Meeting

Date: 9/17/21

Attendees: Lexi McCausland, John Ellis, Lindsey Soffe, Annie Pond, Valerie Green, Daniel Frentress, Mariah Robinson, 1000 court resident guest

Issues and Projects

Unresolved/Upcoming

- 1000 court resident visit. Concerns about thefts (\$700 worth of items stolen within last two months). Concerns about quality of nighttime security.
 - Possible solutions:
 - Neighborhood watch. Lindsey will reach out to safety department to explore possibility of organizing community watch program. Would need University buy in and training and sufficient residents to volunteer.
 - Work with nighttime security to understand correct protocols and discuss concerns. Valerie will reach out and will follow up with Tori in early October.
 - Increase outreach to residents (Facebook posts, RC newsletter, RA newsletters, work with RA's on security activity?) to educate on how to report security concerns and concerns regarding security staff. Also, educate on what to report "See something, say something".
 - Community-wide info on security reports on Facebook page and in upcoming newsletter.
 - Lexie will send [Let your voice be heard feedback report form](#) to resident.
 - Council members will review safety resources sent in July email to be familiar with resources to refer residents to; Valerie will resend email
- Fall Forum. Early November. 1.5 hours, in person and available to residents virtually. During the week works better. Possible Tuesday, Nov 9. Lexie will email Jenn options of Mon 8 or Tue 9, 7:30-9:00. Need RSVP from in-person attendees in order to order food. Recommended that zoom call be seminar style for virtual attendees
- Village-wide stairwell cleanup? Clean in shifts (due to amount of cleaning supplies available).
- Lexi will email Jenn about the possibility of redoing laundry survey.
- Annie will share events on Facebook to promote Community Club and Cultural Fusion.
- Upcoming Newsletter to be sent via email (timeline?).

Next Agenda

- Extended use approval for community centers. Review <https://apartments.utah.edu/resident-handbook/index.php#communitycenters> in preparation.
- Service agreement between administration and Resident Council.

Newsletter

- Reminder to residents about text line.
- Security info: what to report, how to report, links to view stats, safety ride, security escort.
- ESA policies, especially that dogs need to be leashed.
